# Cherry-It Pitter

## Features / Benefits

- Pits up to 4 Cherries in One Motion
- Avoid Cherry Juice Stains and Messes
- Spring Loaded for Ease of Use
- Lid Locks for Compact Storage

*At Progressive our goal is to make your busy life easier with innovative products for your kitchen. Whether for quick healthy snacks or baking a homemade pie, the Cherry-It Pitter makes processing fresh cherries quick and easy.*

## To Use

1. Slide lock to open lid.
2. Position tray with desired hole size. Pitting teeth will be aligned.
3. Place up to 4 cherries in front part of the tray.
4. Press lid down in one swift motion to pit cherries.
5. Remove pitted cherries from tray. Remove tray to empty pits from base.

## Cleaning

- Disassembles for easy cleaning.
- Dishwasher safe.

## Caution!

- Some cherries may remain un-pitted (or partially un-pitted). If this occurs, reposition cherry in base and retry. Always examine cherries after pit extraction for pit remains.
