Water Reservoir Provides Hydration to Fresh Herbs

Cleaning

- Handwash for best results.
- Change water every 3 to 4 days.

Tips

- For delicate herbs like basil and cilantro that do not like cold temperatures, leave the Fresh Herb Keeper on the counter with the lid removed.
- Do not overcrowd the herbs. Leave room for air to circulate.

At Progressive our goal is to make your busy life easier with innovative products for your kitchen. Increase the flavor and aroma in your recipes by replacing dried herbs with fresh herbs from your Fresh Herb Keeper.
