### Tre Spade Stainless Steel Meat Grinders

Sizes: #5 #8 #10

#### Before first use:

- Wash all parts with soap and water.
- Rinse thoroughly with hot water and towel-dry.

#### To assemble the grinder:

- Insert worm (D) into the body (C), smaller end first;
- Attach handle (B);
- Secure the handle with the thumbscrew (A);
- Insert the knife (E) onto the worm (D) with the sharp edges facing out;
- Insert the plate (F) so that the notch fits in the nub on the body (C);
- Screw on the threaded ring nut (G).

#### Before using the grinder:

- Affix the plastic counter protector to the part of the clamp that sits above the counter;
- Attach the grinder securely to a counter, tightening the clamp so that the grinder does not move when you turn the handle.

#### After each use:

- Wash all parts with soap and water.
- Rinse thoroughly with hot water and towel-dry.
- Store in its box in a dry location.
